Order dated : 14.6.05

Heard Mr. D.K. Mohanty, Ld. Counsel appearing for the Applicant and Mr. Devendra Kumar Behera, Ld. Additional Standing Counsel; on whom a copy of this O.A. has already been served. Perused the materials placed on record.

The Applicant, Anadi Charan Behera, is continuing as Statistical Investigator Grade-III of the Census Directorate of Orissa at Bhubaneswar. He faced a disciplinary proceeding and ultimately faced with punishment under Annexure-A/10, dated 20.5.04. Upon facing the punishment, the Applicant

Notes of the Registry	Orders of the Tribunal
	<p>preferred an appeal on 23.6.04 under Annexure-11. The same, as it appears, was addressed to the Disciplinary Authority; for which the Applicant addressed another representation under Annexure-A/12 to the Secretary to Government of India in the Department of Home Affairs. Having not heard from the authorities (on his aforesaid appeals), the Applicant has filed the present O.A. under Section 19 of the Administrative Tribunal's Act, 1985.</p> <p>Law is well settled that appeal is to be submitted through the disciplinary authority. In the present case, as it appears from Annexure-A/11, dated 23.6.04, the appeal was addressed to the Disciplinary Authority. If the authority, to whom the appeal under Annexure-A/11 dated 23.6.04 was not properly addressed then it was for the Disciplinary Authority either to intimate the Applicant about the same (with instructions to prefer the appeal to the proper forum) or to transmit the appeal to the competent appellate authority. The authority can not sit over an appeal for indefinite period without communicating to the Government servant.</p> <p>In the aforesaid premises, liberty is hereby granted to the Applicant to put up an effective appeal to the competent authority through proper channel by end of June, 2005, and, if, an appeal shall be preferred by the Applicant by end of June, 2005, then the Respondents should act properly to redress the grievances of the Applicant (on his appeal) by end of September, 2005.</p> <p>With the aforesaid observation and direction,</p>
