Heard Ms.C.Padhi, Ld.Counsel for the applicant. Mr.S.Mishra, Ld.ASC enters appearance on behalf of the respondents by filing appearance memo.

2. Applicant has been proceeded against for misconduct. The enquiry has since been complete; the matter is now pending consideration before the Disciplinary Authority for about last two years. Hence, Ms.Padhi, Ld.Counsel for the applicant submits that the government has issued executive instructions that normally within three months the Disciplinary Authority should dispose of the matter pending before them. Accordingly, the applicant had made representation before the concerned authorities but <sup>to</sup>no avail. So he has filed this application for a direction to the Disciplinary Authority Res.No.3 to take further action on the Inquiry Report.

3. Ld.Counsel for the respondents submits that disciplinary authority would dispose of the case within a short period. So, it is desirable to issue a direction to the respondents Disciplinary Authority to dispose of the same within two months in the interest of justice and equity.
