ORDER(Oral)

R.C.MISRA, MEMBER(A):

Heard Mr.S.Swain, learned counsel for the applicants and Mr.S.K.Ojha, learned panel counsel for the Railways. Misc.Application No.707/15 for joint prosecution is allowed.

2. This matter was taken up for admission on 9.9.2015 and it was observed that applicant no.1 had made applications to respondents for consideration of the case of applicant no.2, i.e., her son for provision of employment assistance on compassionate grounds. Respondents had already registered the name of applicant no.2 on 26.4.2011 and as no tangible result came out applicant made a representation on 10.1.2015 to respondent no.3. In view of the same, the Tribunal had directed the learned the learned panel counsel to obtain instructions regarding the subsequent action taken by the respondents in pursuance of the registration of the name of applicant no.2 for

providing him employment under compassionate appointment scheme. In response to this, Mr.Ojha has filed a short reply to-day, copy of which has been served on the learned counsel for the applicants. On perusal of the short reply, it appears that the subject of awarding compassionate appointment to applicant no.2 is under active consideration of the respondents. It is further submitted by Mr.Ojha that in the present case the Deputy CME(Carriage), Kharagpur being the competent authority to consider the case of the applicant no.2 is already ^{seized} ~~ceased~~ of the matter and within a maximum period of sixty days, he will take a final decision.

3. Since the matter is under active consideration of respondent no.4 as borne out from the short reply, at this stage, I do not consider it proper to further continue with this O.A. Therefore, the O.A. is disposed of with a direction to respondent no.4, i.e., Deputy CME(Carriage Workshop) to dispose of the grievance of the applicant no.2 for compassionate appointment and communicate the decision thereon in a speaking and well-reasoned manner within a period of sixty days from the date of receipt of this order to the applicant.

4. With the above observation and direction, this O.A. is disposed of at the stage of admission. No costs.
