ORDER(Oral)

A.K. PATNAIK, JUDICIAL MEMBER

By filing the instant OA, the Applicants, claiming to have been working on casual basis with 1/30th wages under the Superintending Archaeological Survey of India, Bhubaneswar Circle, have prayed the following relief:

“(i) to pass an appropriate order directing the Respondents i.e. more particularly Respondent No.3 to consider the written representations vide Annexure-A/5 series made by the applicants for grant of temporary status and all consequential service benefits to which the applicants are entitled to with effect from the date of enjoyment of such benefits at par with other colleagues already awarded with temporary status, working under the administrative control of Respondent No.3 in accordance with the Casual Labourers (Grant of Temporary Status and Regularization) Scheme, 1993 vide Annexure-A/3 read with the letter dated 16.8.2002 of the Archaeological Survey of India vide Annexure-A/4 within a reasonable period to be stipulated by this Hon’ble Tribunal .

(ii) To pass such other order (s) calling for the relevant records from the department and to pass such other order(s) which would be deemed just and proper in the facts and circumstances of the case and allow the Original application”

2. By filing MA No. 860/2013 under Rule 4 (5)(a) of the Central Administrative Tribunal (Procedure) Rules, 1987 they have sought permission to prosecute this OA jointly.

3. Heard Mr. A.K.Choudhury, Learned Counsel appearing for the Applicants and Mr. S. Barik, Learned Additional CGSC for the Union of India appearing, on notice, for the Respondents both on the OA as also on MA. Considering the submissions of the respective parties, prayer made in the MA is allowed subject to payment of additional amount of Rs.50/- (except Applicant No.1) by each Applicants in shape of Postal order. Learned Counsel for the Applicants undertakes to submit the same within a period of two days hence. MA is accordingly allowed.

4. In so far as the Original Application is concerned the prayer of the Applicants for a direction to the Respondent No.3 to consider their grievance raised in the representations dated 2.8.2011, 3.3.2012 and 10.11.2012 at Annexure-A/5 series for grant of temporary status with reference to the Casual Labourers (Grant of Temporary Status and Regularization) Scheme, 1993 vide Annexure-A/3 and letter dated 16.08.2002 under Annexure-A/4. I find bar in entertaining this OA in absence of any impugned order as provided under Section 19 of the Administrative Tribunals Act, 1985 which reads as under:

“19. Applications to Tribunals – (1) Subject to other provisions of this Act, a person aggrieved by any order pertaining to any matter within the jurisdiction of a Tribunal may make an application to the Tribunal for the redressal of his grievances.

EXPLANATION – For the purpose of this sub section “order” means **an order made –**

- (a) By the Government or a local or other authority within the territory of India or under the control of the Government of India or by any corporation (or society) owned or controlled by the Government; or
- (b) By an officer, committee or other body or agency of the Government or a local or other authority or Corporation (or Society) referred to in Clause (a).”

5. At the same time I find force in the contention of Learned Counsel for the Applicants that injustice has been caused due to not considering the grievance raised in the representations for such a long time. Redressal of grievance, at the hands of the Authority, at the first instance at the earliest opportunity besides being sine qua non, would minimize the expenses of the Department and would save the valuable time of the Court/Tribunal. In view of the above, especially keeping in mind the specific provisions of the A.T. Act, 1985 this OA would not have been entertained

(Signature)

and would have been dismissed at this admission stage itself but for the reason of the inaction of the Respondents in considering the grievance of the applicants for such a long time, by applying the law laid down by the Hon'ble Apex Court in the case of **S.S.Rathore -Vrs-State of Madhya Pradesh**, 1990 SCC (L&S) 50 (in paragraph 17), without expressing any opinion on the merit of the matter, this OA is disposed of at this admission stage with direction to the Respondent No.3 to take a decision on the said representations with reference to/keeping in mind the Casual Labourers (Grant of Temporary Status and Regularization) Scheme, 1993 vide Annexure-A/3 and letter dated 16.08.2002 under Annexure-A/4 and communicate the result thereof, in a well-reasoned order, at an early date, preferably within a period of sixty days from the date of receipt of copy of this order to each Applicants. If it is held that the applicants are entitled to the benefits as claimed then the same may be extended to them within a period of ninety days from the date of the order. If in the meantime, the representations so preferred has/have already been disposed of, the result thereof shall be communicated to the applicants within a period of fifteen days from the date of receipt of copy of this order. There shall be no order as to costs.

6. As prayed for by the Learned Counsel for the Applicants copy of this order be sent to the Respondent No.3 for compliance by speed post at his cost for which he undertakes to furnish the postal requisite by 6th December, 2013.
