providing appointment on compassionate ground have filed the instant O.A. with the aforesaid prayer.

3. Heard Mr. R.B.Mohapatra, Id. Counsel appearing for the applicant and perused the records. I have not come across any such provision laid down by the Government of India that appointment on compassionate ground would be provided to one of the family members of a Government servant who has resigned from service. On being asked Mr. Mohapatra could not satisfy me on the above score by producing any such instruction of the Government of India or any decision of any of the Courts/Benches of the Tribunal that in such an event appointment on compassionate ground to one of the family members is to be provided. In view of the above, I do not find any ground least to speak valid ground to entertain this OA. Hence this O.A. is accordingly dismissed. In view of the dismissal of this O.A., M.A. is accordingly dismissed. There shall be no order as to costs.
