The application for recalling the order dated 6.2.98 on the Contempt Application does not merit in consideration. On the date fixed for hearing the Contempt Application, the petitioner's counsel was absent. We disposed of the Contempt Application after hearing the ld. counsel appearing for the alleged contemnors and also after going through the records. Mr. Chatterjee's contention is that we passed the Order without looking into all the materials on record and as the compliance was done after more than a year, the Court could not have taken the view that the order has been substantially complied with.

We do not find any merit in such submissions. The application stands rejected.
