O R D E R

( PER HON'BLE MR. JUSTICE P.S. RAIKOTE )

Both these applications involve common question of law and facts, therefore, we dispose of the same by this common order.

The common grievance of the applicants is that the impugned order vide Annexure A/1 directing recovery, on the basis of the alleged over payment of 30 per cent of the Teaching Allowance, is illegal and without jurisdiction. It is the case of the applicants that their services were taken on deputation as Inspectors in Diesel Training Centre, Bhagat Ki Kothi, Jodhpur, and they were entitled to 30 per cent of their salary as Training Allowance. The applicants, were, therefore, paid the training allowance at the rate of 30 per cent of their basic pay with effect from the different dates in respect of the different applicants. But the said payment of the 30 per cent allowance is now sought to be recovered vide Annexure A/1 on the ground that, that was an erroneous payment. Applicants submit that such payment at the rate of 30 per cent was not an erroneous payment and at any rate the same cannot be recovered from them at this juncture. On the other hand, the learned Counsel for the respondents submitted that so far as the Inspectors appointed in Diesel Training Centre, Bhagat Ki Kothi, Jodhpur, are concerned, payment of training allowance is provided only on the basis of Annexure R/7 dated 20.9.1995, at the rate of 15 per cent, therefore, the payment of such allowance at the rate of 30 per cent to the applicants earlier to that order was erroneous. The other grievance of the applicants is that the alleged recovery vide Annexure A/1 was ordered without giving any opportunity or without issuing any show cause notice.

Contd....4

3. It is an established principle of law that whenever an order having civil consequence is issued such order shall be preceded with a show cause notice to the persons affected.

In the instant case, we find that there was no show cause notice issued to the applicants before ordering the recovery of the alleged excess or over-payment. Such an action of the respondents would be contrary to the principles of natural justice. Since we propose to dispose of the applications only on the basis of merits, though number of other contentions were urged by both the parties.

4. In view of the fact that Annexure A/1 was passed without any show cause notice to the applicants, the same is liable to be quashed for violation of principles of natural justice. Accordingly, we pass the order as under :-

5. The application is allowed. The impugned order Annexure A/1 (in both O.As) dated 28.9.1995, is hereby quashed. The respondents are given a liberty to issue show cause notice to the respective applicants and after considering the representation, if any, filed by the applicants, an appropriate order may be passed. Accordingly, both the Original Applications are disposed of. No orders as to cost.
