He was also subjected to medical examination for the post of Mate and was declared fit vide Ann.A-3. The applicant was also screened, as stated by him, against 40% construction reserved posts and was found suitable for the same vide Ann.A-4. main contention of the applicant is that since he is posted as a Works Mate in the Construction Organisation in the Bikaner Division in the grade Rs.800-1150, he may be transferred within Bikaner Division as a Works Mate and not as a Senior Khalasi. The learned counsel for the applicant wants to file a representation to the concerned authority in regard to his grievance and wants that the same be decided on merits meeting all the points raised therein. The learned counsel for the respondents has no objection to it.

3. In the circumstances, this OA is disposed of at the stage of admission with a direction to respondent No.2 to decide the representation to be made by the applicant within a period of one month from today through a detailed speaking order meeting all the points raised therein in the light of the letter dated 25.7.95, at Ann.A-5, within a period of four months from the date of receipt of the representation from the applicant. The status-quo, as it exists today, shall be maintained in respect of the applicant's grade and posting till a decision is taken on the representation, in case the same is made by the applicant within a month from today. If the applicant is aggrieved by any decision taken on the representation, he shall be free to file a fresh OA. No order as to costs.
