decision no.514/1987 decided the matter on 24.5.1988 in which he was convicted under aforesaid sections. He was dismissed from service on 09.8.1988; he filed an appeal to DPS which was rejected on 12.10.1988. He filed review petition to the Member Postal Service Board, New Delhi which was also rejected on 23.10.1989. Against the dismissal order, applicant filed an OA no.404/1991 before the CAT, Jodhpur Bench but the same was also rejected. Applicant filed an appeal in Appellate Court against the conviction by the order of ACJM-III Udaipur in which the appellate court decided appeal, matter was reverted back to lower court directing trial Court to re-examine the applicant u/s 313 Cr.P.C. During pendency of the matter before ACJM-III, applicant filed a criminal revision petition before the Rajasthan High Court, Jodhpur in which High Court set aside the order of trial & appellate courts, thereby acquitted him on 03.9.1997. On 23.7.1998, applicant was reinstated in service on earlier post, he was placed under deemed suspension under rule 10 (4) CCS (CCA) Rules, 1965 vide order dt 23.7.1998. His suspension was revoked, he was posted as PA, Kankroli HO vide memo dated 08.7.1999. The disciplinary proceedings were started against him, he challenged these proceedings before CAT Jodhpur Bench in OA no.230/1999. On 28.9.2000 decision was implemented, period was decided as spent on duty with all consequential benefits. Applicant filed another OA no.223/2001 before CAT Jodhpur Bench in which the impugned order dt 04.7.2001 (Ann.A-1) was challenged. 2(B). Applicant has stated that the employees who completed 16 years of satisfactory service as on 23.11.1983 were required to be given benefits under the Time Bound One Promotion (TBOP) and issued a Biennial Cadre Review (BCR) vide order dt 11.10.1991 so as to give pay in higher pay scale on competition of 26 years of satisfactory service. The DPC considered his case but did not find him fit for promotion. Applicant's case was considered for BCR in the light of directions given by the CAT, Jodhpur Bench. His case in lower selection grade (LSG), was considered by DPC, and he was not found fit for the LSG promotion for not fulfilling the required parameters. Applicant's version is that there is nothing adverse against him; he should have been given TBOP and LSG on the stipulated dates. He was granted TBOP promotion w.e.f. 30.11.1983 vide order dated 10.01.2003; BCR promotion w.e.f. 01.7.2000 vide order dtd 10.02.2003. Applicant feels that the employees junior to him were given selection grades but with all good service record, he was not found fit for selection grades (Ann.A-6,A-7 & A-8), no reasons were given. He is deprived from further promotion to higher selection grade posting, has prayed for quashing order dt 13.6.2003 (Ann.A-1) and requested for all consequential benefits, fixation of pay etc.

3(a). The respondents in reply have stated that applicant moved to CAT, Jodhpur Bench for grant of promotion on the post of LSG & HSG etc. with all consequential benefits. The Tribunal directed respondents to consider his case for LSG & HSG afresh in accordance with prescribed norms. The applicant was not found fit/meritorious for promotion to the post of LSG as per his service

record. As confidential reports were not up to the mark, he was not found fit for promotion to the post of LSG.

3(b). In rejoinder, applicant has averred that he was falsely implicated in a criminal case in which he was acquitted vide order dt 03.9.1997 by Rajasthan High Court. Thereupon, his dismissal for service vide order dated 09.8.1988 was quashed and he was reinstated vide order dt 23.7.1998 but was put under suspension w.e.f. 24.5.1988 and was served with a chargesheet which was quashed by CAT Jodhpur Bench vide order dated 28.9.2000. The Tribunal directed respondents to consider applicant's case as per law and their observations regarding facts of non-communicated ACR/material etc. The applicant has denied that he was not found fit for promotion on LSG post, there is no adverse material on record against him; he was fulfilling required parameters for promotion. The respondents have not submitted documents in support of their contentions; there is no ground to draw an adverse inference. He was given TBOP promotion w.e.f. 30.11.1983 and BCR w.e.f. 01.07.2000.

4(a). Applicant's contention is that relief be given to him in the light of High Court and CAT verdicts. Applicant is badly harassed by his seniors, he is given TBOP and BCR, thus no ground is made out to stop him from promotion to LSG and HSG II posts. His service record is by and large good; he be given promotion as per seniority/merit. Besides, his previous pay, allowances and consequential benefits should also be given.

4(b). Learned counsel for respondents in his arguments stated that applicant's ACRs upto 2001 were taken in zone of

consideration. The ACRs of the Year 1999-2000 and 2000-2001 were of average standard which is not an adverse entry, thus these were not communicated to the applicant. He was not considered for LSG post, he has already been given TBOP & BCR promotions earlier, thus financial benefits are extended to him. Applicant's suitability to the post is not found as per record, which is not meritorious. The service records prior to his dismissal/suspension were also taken into consideration, they were found to be of average standard. He is an average worker throughout his career, thus promotion could not be given to him. The respts have clarified that applicant took voluntary retirement in 2005.

5. Applicant's case is widely discussed; he was basically a postal employee while working as sub-post master, in the month of April 1975, he misappropriated Government money by using the used BRL stamps. The department conducted preliminary investigation in the matter and registered FIR against him u/s 262, 420, 409 and 469 under IPC. The ACJM-III, Udaipur in case No.514/1987 convicted the applicant on 24.5.1988 with the result that he was dismissed from service by memo dated 9.8.1988. He moved before the senior officers in appeal and review petition they were also rejected on 12.10.1988 and 23.10.1989 respectively. In criminal case, appellate court directions were given to re-examine the applicant u/s 313 Cr.P.C. Subsequently, criminal revision petition was filed before the Rajasthan High Court that set aside the order of trial and appellate courts vide judgment dated 03.9.1997. As per this decision of High Court, the applicant was reinstated on service 23.7.1998 and placed under deemed suspension under rule 10 (4) CSS (CCA) Rules, 1965

w.e.f. 09.8.1988. Later, applicant's suspension was revoked and he was posted as postal assistant PA, Kankroli HO vide memo dated 08.7.1999. In the light of these developments, chargesheet was issued and served upon him and disciplinary proceedings were started. The applicant moved to CAT Jodhpur by filing OA no.230/1999 challenging this chargesheet. In this OA vide order dated 28.9.2000, the dismissal/suspension period was decided as spent on duty with all consequential benefits.

6. As per Tribunal's judgment dated 28.9.2000, applicant's case was placed before DPC for review for TBOP on 26.6.2001, which did not find him fit for promotion. It is worth mentioning that TBOP is given after completion of 16 years and BCR on completion of 26 years of service period. As TBOP was not given by the DPC, applicant was not found eligible for BCR promotion as per assessment. Applicant's case was to be considered for TBOP and BCR scheme and also promotions to the post of LSG and HSG II, in view of observations regarding un-communicated ACR material while considering grant of benefits of promotions. Subsequently, DPC meeting was convened and TBOP promotion was given to the applicant w.e.f. 30.11.1983 vide memo of SSPO Udaipur dt 10.01.2003 from effective implementation of TBOP scheme. The BCR promotion was allowed to him vide order dt 10.02.2003 w.e.f. 01.7.2000, in view of the directions of CAT, Jodhpur dated 18.9.2002 in OA no.223/2001. As regards LSG cadre, applicant's record was not upto the mark, he was found to be an average worker throughout. The ACRs prior to his dismissal/suspension were also considered, they were also of

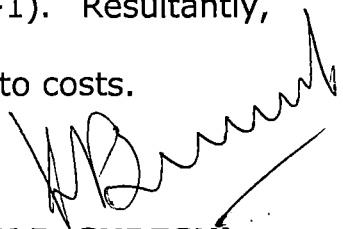

*Cyber*

average standard. These ACRs were not adverse in nature, there was no need to communicate the average reports. Accordingly, the applicant was not found meritorious/fit for promotion to the LSG grade. The respondents' version finds support from CAT Jaipur decision in OA No.621/2001 (Chandmal Jain vs. UOI) and Apex Court decision in case of State of Madhya Pradesh vs. Srikan Chapekhar JT 1992 (s) SC (638). As per perusal of record, applicant's ACRs were not found up to the mark, they were of average standard whereas requirement for promotional post is of good grade of performance as per criteria laid down by the Directorate and clarifications given on 11.02.2003. The respondents' version is that as ACRs of the years 1999-2000 and 2000-2001 were of average standard which is not an adverse entry, these were not communicated to him. He was not considered fit for promotion to LSG cadre, he is already given TBOP & BCR promotions, thus not much of financial loss incurred to him. It is worth mentioning that the applicant has taken voluntary retirement from service in 2005. Keeping these facts and legal point in purview, not much of scope is left to interfere in applicant's case for promotion to LSG and HSG II posts etc. Thus, no consequential payments benefits etc. need be given to the applicant in this context.

7. In the light of deliberations made above, no interference is called for in the order dated 13.06.2003 (Ann.A-1). Resultantly, the present OA is hereby dismissed. No order as to costs.
