ORDER

By the Court :

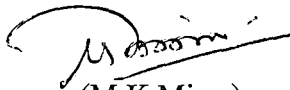

Shri Heera Lal has filed this Original Application assailing the impugned order dated 17/5/2004 at Annex. A/1, vide which the applicant was ordered to be repatriated to his alleged parent division that i.e. Ratlam Division on the multiple grounds mentioned in the Original Application.

2. The learned counsel for the respondents submits that the said impugned order has already been cancelled by the respondents vide order dated 27/5/2004 at Annex. R/1 and the position of the applicant has been restored. Reply has also been filed and the said order has been annexed thereto.

3. From the order-sheets for last two occasions, we find that the learned counsel for the applicant has not been appearing in this case. On the previous date the case was adjourned with an abundant caution and to give an opportunity to the applicant in the matter. But, since the very impugned order has been cancelled by the respondents, there is no use of keeping the matter pending and awaiting representation of the applicant in this case. Perhaps since the applicant has already got the desired relief and, therefore, he is not interested in pursuing the matter and that is the reason he is not being represented in the matter. In view of the aforesaid development the Original Application as such has become infructuous and no claim of the applicant survives. The Original Application is accordingly dismissed as having become infructuous. No costs.
