ORDER (ORAL)
[BY KULDIP SINGH, VICE CHAIRMAN]

Heard the learned counsel for the applicant.

2. In all the above five O.As the relief(s) sought by the applicants are similar, therefore, they are being disposed of by this common order.
3. The grievance of the applicants' are that they had been allowed a Quarter at a distance of more than 2 kms. from the place of their working and they are being paid Rs. 75/- per month as Transport Allowance in accordance with the provisions contained in O.M. Dated 3.10.1997 and the O.M. Dated 17.4.1998. However, abruptly, by an oral order, this Transport Allowance has been discontinued and recovery is stated to be initiated against the applicants. The applicants have made a specific averment that no written order discontinuing the Transport Allowance was ever issued to them. The applicants also allege that no show cause notice was issued as also no opportunity of hearing was afforded to them and abruptly by an oral order, the said allowance has been ordered to be stopped. On a query from the respondents, the learned counsel specifically

that respondents have not passed any written order discontinuing the Transport Allowance which was being paid to the applicants. However, the respondents in their reply also, alleged that the applicants are not entitled to Transport Allowance as they are residing within the campus of 19 FAD and Govt. Md. Accn. is located at 2 Kms. Away from the place of duty main gate / security office of 19 FAD, where their daily attendance is carried out as also the quarters and Depot main gate / security office are located within the army campus of 19 FAD perimeter. He has argued that the said allowance has now been withheld as per the objection raised by the audit authorities of Western Command. Thus, the applicants are not entitled to any such allowance. However, the way, the Department has dis-continued the payment of Transport Allowance, appears to be in violation of principles of natural justice as they have dis-continued the allowance affecting the civil rights of the applicants and before affecting the civil rights, the applicants should be given a notice and only thereafter, written orders should have been passed in accordance with the rules. So, we allow all these O.As and direct the respondent-department to continue to pay Transport Allowance to the applicants, however, if they want to stop the same, they may do so by serving an appropriate notice as per law and judicial pronouncement on the subject ; until

such action is taken, respondents are restrained to recover any amount towards this

allowance.

With the above directions, the O.As No. 143, 144, 145, 146 and 147 of 2007 stands allowed and disposed of accordingly.
