ORDER (ORAL)

Per Dr. K.B. Suresh, Judicial Member

Heard both the learned counsels. We had examined the pleadings and the records of this case, and found that the respondents have considered the case of the applicant for appointment on compassionate grounds after marshalling all the vacancies available to them at least on eight occasions. The details of such consideration are also available in the files, even though, it was done on a quarterly basis. Sufficient number of opportunities in a three year span is seen allowed to him.
