ORDER (ORAL)

(Per Hon'ble Dr. K.B. Suresh, Judicial Member)

Heard learned counsel for applicant.

2. Vide order dated 27.06.1973, (annex. A/4) the applicant was appointed on regular basis. On 21.04.2006, Respondent No.2 issued a scheme vide which any employee within the age of 50-57 and who have completed 33 years service as on 30.06.2006 can apply for voluntary retirement and seek compassionate appointment for his dependant in his place. The applicant submitted his application for voluntary retirement on 22.06.2006

2/11

i.e. five days prior to completion of 33 years of service. However, no orders were passed by the respondents on his request. Thereafter, the applicant filed several representations but in vain. Apparently, on 18.01.2010 the applicant was informed that his application had already been rejected as he has not completed 33 years of service when he submitted his application for voluntary retirement as per the scheme.

3. We have perused the scheme. In the scheme, it has been mentioned that a person who completes 33 years of service on or before 30.06.2006, can seek voluntary retirement and ask for compassionate appointment of his dependant in his place. The fact that his application was submitted five days prior to completion of 33 years of service cannot deprive him the benefit of the scheme since the same is a welfare scheme. In view of the fact that the applicant was in service of the railways for so many years, and the scheme being a welfare one, the communication dated 18.01.2010 (Annexure-A/1) informing him that he is not eligible to get the benefit of the scheme quoted above, is quashed and respondents ~~is~~ are directed to reconsider the case of the applicant after giving an opportunity of hearing by giving him a notice in advance. OA is allowed to the extent indicated above. No order as to costs.
