The applicant seeks to protect the benefits of the promotion granted to him w.e.f. 01.05.2008 to the post of Chargeman-I. But whether he was entitled to promotion as MCM on the two occasions or not, is a not matter covered by the pleadings and the relief, therefore which can be raised by the applicant at a proper forum, if so advised, at a later date.

2. The 6<sup>th</sup> Central Pay Commission report was implemented with a back date of 01.01.2006. There is no methodology of pick and choose available since the 6<sup>th</sup> Central Pay Commission merged pay scales of Chargeman-II and Chargeman-I, re-fixation of the pay had become necessary. It is to be noted that the applicant had received other benefits also on the basis of 6<sup>th</sup> Central Pay Commission, therefore, it is a cumulative process, the applicant can only accept it as a choice in an election as a whole. Having accepted it, the applicant cannot now turn around and say that the benefits which he had secured in 6<sup>th</sup> Central Pay Commission must continue with him, but what negativity he got along with the 6<sup>th</sup> Central Pay Commission must be redressed, such a statement cannot be accepted.

3. The Original Application lacks merit, therefore, it is dismissed. No order as to costs.
