**ORDER**

**[PER SUDHIR KUMAR, MEMBER (A)]**

Heard the learned counsel for the applicants and the learned counsel for the respondents. Reply has been filed in all the cases and rejoinders have also been filed by the applicants in most of these cases.

- 2- Through order dated 4.12.2010 (Annex.A-1~~2~~ of OA No. 351/2010), fixation of pay orders issued for fixation of pay on promotion in the pre-revised merged scales of pay, through various Office Orders issued from 21.10.2008 to 28.05.2009 (12 in number) were cancelled in pursuance of the DAE OM dated 17.11.2009 read with O.M. dated 20.10.2010 in this

(4)  
regard. As a consequence, the fixation of pay on promotion in the pre-revised merged pay scales of the applicants stood withdrawn, and the pay drawn by the applicants was restored to the stage at which they were being drawn prior to the fixation of their pay on promotion in the revised pay scales.

3- Caveats in regard to these OAs were filed by the respondents on 7.12.2010, even before the OAs were filed on 20.12.2010.

4- On 22.12.2010, during the first hearing of these batch cases, the orders issued on 4.12.2010 (Annex.A/1 of the first OA) were stayed till further orders.

5- In the reply written statement submitted by the respondents on 5.1.2011, it has been stated that much before the OAs were filed, the order dated 4.12.2010 was kept in abeyance by the respondents themselves by another order dated 6.12.2010. It is seen that this document was not produced by the respondents even along with the caveats filed by them on 7.12.2010, perhaps by over-sight.

6- It has been further submitted by the respondents that now, by another order dated 1.1.2011

(Annex.R/1), the <sup>(5)</sup>impugned Office Order dated 4.12.2010, has itself been revoked / cancelled, due to further developments and unforeseen circumstances. The contention of the respondents is that under these circumstances, no cause of action now survives for maintaining these OAs, and the present OAs have become infructuous.

7- In the rejoinders filed by the applicants, they have pointed-out that along side these proceedings, parallel proceedings have already been started by the respondents by issuing to them show cause notices dated 16.12.2010 in respect of the same aspect, asking the applicants to show cause as to why their pay fixation should not be changed, and stating that it had been done earlier due to discrepancy/erroneous pay fixation, and the excess payment made to the applicants is liable to be recovered.

8- It appears that the issue in question in the present OAs, no longer survives, in view of the specific order dated 1.1.2011 cited by the respondents as Annex. R/1.

9- The show cause notices issued to the applicants by the respondents afresh on 16.12.2010 have given rise to another parallel series of consequential events, which may perhaps give rise to another fresh cause of action to these applicants, if orders adverse to their interests are passed by the respondents.

10- But, for the time being, it appears that these OAs do not survive, and, having cancelled the 4.12.2010 orders of reduction of pay, perhaps for the time being, the respondents would not reduce the salaries of the applicants, or make any recoveries from their salaries, till any specific orders are passed in this regard after giving them opportunity of being heard on the basis of parallel fresh proceedings already initiated. In view of this, these OAs [No. 351,352,353,354,355,356,357,358,359,360,361,362, 363,364,365,366 & 367 of 2010] are disposed off as infructuous, as no cause of action survives as on date.
