Narpat Singh Versus Food Corporation of India

Mr. Jagat Tatia, Advocate, present for applicant.

The Registry has raised an objection regarding jurisdiction, although, it appears that there is no question of jurisdiction but, the fact remains that whether the applicant can approach this Tribunal against the F.C.I.

Heard the learned counsel representing the applicant on the point of maintainability of this Application and perused the records. It is apparent that the applicant has sought a relief of his regularization in the Food Corporation of India and this Tribunal cannot entertain this Application because the said Department does not come in the purview of this Tribunal. Hence, the Registry is directed to return this Application to the counsel for applicant for placing the same before the appropriate Court.
