ORDER (Oral)

Heard. The applicant is due to retire in March, 2016. Taking this into consideration, the applicant ought not to have been transferred at all, because the last legs of a person's career must be allowed to his benefit. It appears that following the order in contempt, the applicant has been taken back on duty, but 40 days of service is yet to be decided. As a matter of practical solution, I direct that this may also be made available to the applicant within one month next, and in any case, before he retires. The transfer order is quashed. The OA is accordingly disposed of. No costs.
