Matter relates to compassionate appointment. The applicant challenges one element of marks which was awarded to him. He would say that Sarpanch has given him a certificate that he has no own house.

ground that the House is small 08 points are already awarded. The difference is only 02. If it is raised to 10, the total marks would be 39 but the minimum requirement for indigence would be 55. Therefore, there is no merit in the contentions of the applicant and thus, OA is dismissed. No costs.
