This M.A. has been filed by the applicants with the prayer that direction be issued for production of records. Mr. Bag, Id. Senior counsel for the applicants leading Mr. Goswami & Mr. Bhattacharya, prays for interim order. On an earlier date Mr. Goswami, Id. counsel had appeared before us and also prayed for interim order that direction be issued on the respondents not to fill up the certain vacancies without considering the case of the applicants. We have carefully perused the contention of the Miscellaneous Application. But we find to our surprise that despite repeated submission made by the applicants on both days, there is no averment ^{in the} of prayer made in the M.A. for interim order to that effect ~~be passed~~. In view of the above position, the prayer of grant of interim order is rejected. The prayer in the M.A. for production of records may be considered at the appropriate time if such production of documents is necessary for proper adjudication of the application. M.A. is accordingly disposed.
