CHETTUR SANKARAN NAIR(J), VICE CHAIRMAN

Applicant seeks to quash Annexure.A6 and  
prays for a declaration that the post of Machine Operator  
Grade III, Electrical Repair Depot is liable to be  
upgraded to a Grade II post. Second respondent took  
the view that applicant can be considered for promotion  
only in his parent unit and that he can make no claim  
to an ex-cadre post like that of Machine Operator.

Applicant's contention is that a discriminatory attitude has been adopted and that this will be hard on the employees. We do not think that this is a matter for us to decide upon. It is a matter of policy and it is for the Administration to take a decision in such matters. We are certain that the Administration will view the issues in their correct perspective. If so advised, applicant may bring his grievances to the notice of 1st respondent or Railway Board as he chooses.

2. Application is disposed of accordingly. No costs.
