In this application dated 24.5.90, the applicant has mainly sought reliefs for getting his two representations at Annexures A-III & A-IV dated 12.6.1989 and 17.7.1989 respectively, considered and disposed of by the competent authority i.e. by the second respondent. His grievance is that as a Scientist in S-1^{grade}, his performance has not been ^{periodically} assessed^{as} as required under Rule 19 since 1988. The learned counsel for the respondents has no objection a direction regarding disposal of these two representations. The learned counsel of the applicant at present is not pressing for the second relief regarding declaration for his eligibility for further promotion.
