The application having been heard on 22nd November, 2002, the Tribunal on the same day delivered the following:

O R D E R

HON'BLE MR.A.V.HARIDASAN, VICE CHAIRMAN

Both these applications are directed against the orders dated 6.6.2002 and 7.6.2002 of the 2nd respondent marked as A-2 and A-3 respectively in O.A. 454/02 and A3 and A-4 respectively in O.A.455/02. The applicants in both these applications having passed the aptitude test for selection and appointment to the post of Console Operators and Senior Console Operators participated in the Speed Test and Skill Test held on 1st and 2nd November, 2001. All of them were shown as qualified in the result published on 8.2.2002 (A-1 & A-2 in O.A.455/02). Their present grievance is that on the basis of some alleged malpractices, the Skill test held on 1st and 2nd of November, 2001 has been cancelled by A-2 order dated 6.6.2002 and a fresh

Skill Test is notified by A-3 order dated 7.6.2002. It is alleged in the application that there has not been any malpractices as mentioned in the impugned order and, in the nature of the Test it is not possible for the participants to copy in Speed Test, especially, while they were participating in the test in different rooms. The applicants therefore, seek to set aside the impugned orders.

2. The respondents seek justification for the cancellation of the result and holding a fresh test on the ground that it was revealed from the report Annexure R-6 that malpractice has been established.

3. On the basis of an interim order issued on 26.6.2002 the test as proposed in the order dated 7.6.2002 has been kept in abeyance.

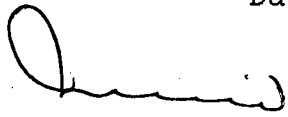

4. When the O.A. came up for hearing today, learned counsel for the applicant stated that since in the nature of the test the possibility of copying is highly remote, if not totally impossible, the application may be disposed of permitting the applicants to make a representation to the 2nd respondent pointing out how Annexure-R6 report cannot be accepted and directing the 2nd respondent to consider the representation and then take an appropriate decision as to, whether the test has to be cancelled or not/^{to be} cancelled before holding a fresh test. We find that this suggestion of the counsel of the applicant is very reasonable and would not cause any administrative difficulty to the respondents.

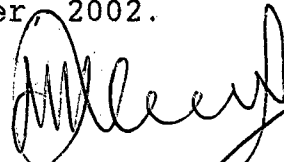

5. In the light of what is stated above, both these applications are disposed of permitting the applicants in these O.As. to make representation to the 2nd respondent against the cancellation of the result of the Skill Test and Speed Test on the basis of Annexure R-6 report within four days and directing the 2nd respondent to reconsider the issue and take a decision as early as possible keeping the holding of Test as proposed in the order dated 7.6.2002 in abeyance. In case the 2nd respondent takes a decision against the cancellation, it may not be necessary to hold a fresh test. If the 2nd respondent even after considering the representation would decide to cancel the result and hold a fresh test, the same may be notified and held.

6. There is no order as to costs.

Dated the 22nd November, 2002.
