This application having been heard on 11th April 2013 this Tribunal on the same day delivered the following :-

ORDER

HON'BLE MS.K NOORJEHAN, ADMINISTRATIVE MEMBER

1. As the facts in these Original Applications are identical and the legal issue raised is the same, these Original Applications were heard together and are being disposed of by this common order. For the sake of convenience, Original Application No.315/12 is taken as the pilot case.

2. The applicants are aggrieved by their transfer from Trivandrum to

various places within Chennai region. Therefore, they have prayed for setting aside the transfer order and to permit them to continue in the same Station. An identical issue was dealt with in O.A 346/12. In the order of the Tribunal dated 28.02.2013, the respondents were directed to consider the request of all the applicants for transfer to their choice stations during the 2013 rotational transfer.

3. Heard the counsels for the parties and perused the documents.
4. The learned counsel for the respondents pointed out that the applicants in the present O.As have not submitted any request for their choice stations. Hence, their case is not exactly similar to the case of the applicant in O.A 348/12. On the strength of the interim order granted by the Tribunal in April 2012 all the applicants are working in the same station. Necessarily in the interest of service, the respondents may have to order certain transfers during the year 2013. The applicants are therefore, directed to submit their choice stations for transfer and in addition represent about their grave personal problems, if any, for retention in the same Station.
5. In the result, the second respondent is directed to consider the representations if any of the applicants and their request for choice stations and take an appropriate decision before issuing the rotational transfer order for 2013 in accordance with the prescribed transfer policy guidelines.
6. Till then, the interim order will be in force. The Original Application are disposed of as above. No costs.

(Dated this the 11th day of April, 2013)
