These applications having been heard on 22.11.2013, the Tribunal on

the same day delivered the following:

ORDER

By Hon'ble Mr. Justice A.K. Basheer, Judicial Member -

These two Original Applications are being disposed of by this common order since a common issue is involved in them and the applicants are similarly situated.

2. Applicants are presently working as Casual Announcers/Comperes/Production Assistants in various stations of All India Radio at Wyanad, Kannur, Kozhikode etc.

3. The common grievance of the applicants is that the respondents are dragging their feet in the matter of finalization of the proposed scheme for regularization of their services who have been working as Casual Announcers/Comperes/Production Assistants in All India Radio for the last several years. The prayer is to issue an appropriate direction to the respondents to finalize the proposed scheme for regularization within a time frame. In Original Application No. 475 of 2013 there is a further prayer to quash Annexure A19 notice dated March 23, 2013 issued by respondent No. 2 inviting applications from eligible candidates for combined recruitment for the post of Programme Executive and Transmission Executive.

4. It is beyond controversy that the applicants have been working as Casual Announcers/Comperes/Production Assistants "on assignment basis" and that they are being engaged for six days in a month on an average.

Applicants have fairly conceded that their engagement as Casual Announcers/Comperes/Production Assistants was being continued for years on the assurance that an appropriate scheme will be introduced for

regularization of their services in the very near future. But so far the respondents have not taken any concrete steps in this regard.

5. It is contended by the respondents that the services of the applicants were never utilized by All India Radio for any continuous period but they were being engaged only as and when such services were required. In fact, their services are being utilized for different forms of work to cope up with temporary increase of work, as it is not at all feasible for the Department to keep regular staff which may incur very huge expenditure. While conceding that a scheme for regularization of casuals is on the anvil, it is pointed out by the respondents that formulation of such scheme is a time consuming process. Before finalizing the scheme the respondents have to necessarily hold consultations with various authorities like all offices of Chief Executive Officer, Prasar Bharati, Secretary, Ministry of Information & Broadcasting, Secretary, Ministry of Legal Affairs, Union Public Service Commission, Department of Personnel & Training, etc. Learned counsel for the respondents submits that the proposed scheme will be finalized as early as possible.

6. Having heard learned counsel for the parties and having perused the materials available on record we are of the view that these Original Applications need not be retained on the file of this Tribunal any further particularly since the respondents have unequivocally admitted that a scheme is proposed to be introduced by which the grievance of most of the applicants are likely to be redressed.

7. Therefore, the Original Applications are disposed of with a direction to the respondents to take expeditious steps to finalize the scheme and implement the same as undertaken by them in their written statement. Till such time the scheme is brought into force the present arrangement of engaging the applicants in the various station of All India Radio shall continue. In other words applicants shall be given casual engagement as Announcers/Comperes/Production Assistants on assignment basis depending on the requirement for such services. Respondents shall finalize and implement the scheme within an outer limit of six months from the date of receipt of a copy of this order.

8. Original Applications are disposed of in the above terms. No costs.
