O R D E R

Applicant is working as Fire Engine Driver Grade II in the Naval Armament Depot, Aluva. He has been working there from 1985 onwards. Applicant states that persons like him are generally not transferred unless there is a promotion. It is also his contention that the transfer is at the instigation of the Naval Armament Depot Employees' Union of which according to the learned counsel for applicant he was not a member. Applicant has also raised the grounds of personal inconvenience regarding the transfer.

2. Putting forward these contentions applicant has made a representation A2 on 16.4.96 to 3rd respondent. Applicant states that he has been orally informed that he will be relieved on 23.4.1996. It will be only proper that the representation of the applicant be considered before the impugned order A1 is implemented.

3. I, therefore, direct 3rd respondent to consider the representation A2 as sympathetically as possible and pass appropriate orders within one month. Till such time the representation is disposed of, the impugned order will be kept in abeyance, and thereafter, applicant will be governed by the decision taken on the representation.

.....3/-

4. Learned counsel for respondents submitted that he would communicate the original application and a copy of this order to the 3rd respondent. We record the submission.

5. Original application is disposed of as aforesaid.

No costs.
