In this application dated 2.1.1989, the applicant
who has been working as Extra Departmental Branch Post
Master at Rayamangalam has challenged inter alia the
termination of her service consequent upon the posting
of Respondent 4 to Rayamangalam Post Office. It appears
that during the pendency of this application, the additio-
nal respondent No.5 was posted at Pulluvazy Post Office

where the applicant was to be posted as an interim measure, for which post the applicant also has to be considered.

2. The respondents now in the additional affidavit dated 20th July, 1989 have indicated that both the applicant as also respondent No.5 will be considered alongwith other eligible candidates for the post of Extra Departmental Branch Post Master at Pulluvazhy Post Office. On the basis of this assurance, the learned counsel for the applicant without prejudice to his rights of seeking legal redress to the outcome of the selection, does not wish to press the instant application before us. Accordingly without prejudice to the legal rights of the applicant and also of respondent No.5, we close this application with the direction that both the applicant as well as respondent No.5 should be considered for selection for the post of Extra Departmental Branch Post Master at Pulluvazhy Post Office. ~~With the above direction we close this application.~~ There will be no order as to costs.

O R D E R

(Hon'ble Shri S.P.Mukerji, Vice Chairman)

We have heard the learned counsel for all the parties. The learned counsel for the respondents brought to our notice the proceedings of the Appointing Authority which indicates that the applicant alongwith other candidates were considered for appointment to the post of EDBPM, Pulluvazhy Post Office but she was not found to be eligible for the post. Be that as it may, we find that the directions in the order dated 3.8.89 had been substantially complied with and the question of review of that order does not arise. The Review Application is dismissed without prejudice to the claims of the applicant in O.A. 548/89.
