O R D E R

HON'BLE MR A.M.SIVADAS, JUDICIAL MEMBER

Applicant is aggrieved by his transfer from Wellington Island, Kochi to Thopramkudi in the High Ranges. When the Original Application was taken up, the learned counsel of the applicant submitted that the applicant's health condition is poor and the same is borne out by Annexure A-3 (2) issued by the Resident Medical Officer, Cochin Port Trust, Kochi. From A-3(2) it is seen that the applicant is suffering from Hepatitis with Fatty Infiltration Liver, that he is on continuous treatment and that he requires continuous medication avoiding undue strain. Learned counsel for the

applicant submitted that the applicant is satisfied if the applicant is given a posting anywhere in the High Ranges where facility for his treatment in the Allopathic System is available. It is submitted by the learned counsel for the applicant across the Bar that at Thopramkudi, Allopathic treatment needed for the applicant is not available.

2. Respondents in the reply statement have not denied the stand of the applicant that he is suffering from Hepatitis with Fatty Infiltration Liver. There is no case for the respondents that medical facility is available for the applicant at Thopramkudi for treatment of his ailment.

3. Accordingly the second respondent is directed to consider the case of the applicant as to the feasibility of giving the applicant a posting anywhere in the High Ranges where Allopathic treatment facility is available to the applicant for treatment of his ailment. The said exercise shall be done within a period of fifteen days from today.

4. The Original Application is disposed of as above.

Dated 26th May, 2000.
