HON'BLE MR. A.V. HARIDASAN, VICE CHAIRMAN

The question involved in both these cases being identical, these cases are being disposed of by this common order.

2. The applicant in OA 496/02 completed his training for appointment as Telecom Technical Assistant (TTA for short) on 23.12.94. He commenced his career as a Technician in the Telecommunication Department in the year 1965. The applicant in OA 524/2002 has also commenced his career in the year 1965 and he also completed his training for appointment as TTA on 23.12.95. But the applicants had not been appointed as TTAs while the department called for applications for screening test for induction as JTOs to be held on 29.1.95. The applicants applied but their request was turned down by order dated 11.1.95 (A2 in OA 524/02 and A3 in OA 496/02). Both these applicants were later appointed as TTAs with effect from 19.1.95 by order dated 20.12.96 (A3 in OA 524/02) However, the applicants could not appear in the screening test which was held on 29.1.95. Both the applicants were screened in in a second screening test which was held on 30.4.00. Finding that those who were successful in the first screening test were being deputed for training for appointment as JTOs and the applicants were not being sent the applicants submitted representations. These representations were disposed of in obedience to the directions contained in the order of the Tribunal in OA 409/02 by Annexure.A9 in OA 496/02 and Annexure.A6 in OA 524/02. In the detailed impugned orders it had been stated that the first screening test was limited to persons who are TTAs as on 3.1.95 and as the

applicants became TTAs only with effect from 19.1.95, they were not entitled to take the first screening test and the applicants who qualified in the second screening test would be sent for training in their turn.

3. Aggrieved by this the applicants have filed this applications seeking to set aside the impugned orders in these cases and for a direction to the respondents to consider the appointment of the applicants as JTOs as they had passed the screening test held on 29.1.95 declaring that they are entitled to be appointed as JTOs as if they had appeared in the screening test held on 29.1.95.

4. The respondents in their reply statement contend that there was no inaction on the part of the respondents in appointing the applicants as TTAs. The appointment was made immediately on vacating the interim order of the Tribunal in OA 428/96. Since the first screening test was limited to TTAs as on 3.1.95, the applicants were rightly denied permission to appear in the first screening test as they became TTAs with effect from 19.1.95 only. It has been indicated that the applicants would be sent for training in their turn as it is not feasible to impart training of these persons together.

5. We have heard the learned counsel appearing on either side and have gone through the pleadings and materials on record. We do not find any reason to interfere with the impugned orders in these cases. Since the applicants were not TTAs as on 3.1.95 in terms of Annexure.R.1 they could not have been sent for the first screening test and as a matter of fact they have not been sent for the first screening test also. Their claim for appearing in the first screening test was rejected by order

dated 11.1.95 (A2 in OA 524/02 and A3 in OA 496/02). The applicants did not challenge these orders at the appropriate time. Under these circumstances, those who have been successful in the first screening test have got to be sent for training first and the applicants can be sent for training only in their turn.

6. In the light of what is stated above, we do not find any merit in these applications prima facie and the same are dismissed without any order as to costs.
