(Shri S.P. Mukerji, Vice Chairman)

Heard the learned counsel for both the parties
on the question of admission of this application in which
the applicants have prayed for complete parity of pay
scales of Junior Engineers of Light Houses with those of
Junior Engineers in the C.P.W.D. Their main contention
is that on the recommendations of the Third Pay Commission
the Junior Engineers of Light Houses and the Junior
Engineers of the CPWD were given the same pay scales
of Rs. 425-700. However, after the recommendations of
the Fourth Pay Commission, the respondents allowed 75%
of Junior Engineers of CPWD the higher scale of Rs.
1640-2900 and the remaining 25% the pay scale of

Rs. 1400-2300. However, all the Junior Engineers of the Light Houses were given the lower pay scale of Rs. 1400-2300. By this process the latter were completely deprived of the higher pay scale of Rs. 1640-2900. The applicants have also stated that apart from total deprivation of higher scale of Rs. 1640-2900 the Junior Engineers in the Light Houses have suffered by the abolition of the Selection Grade, which was available to them earlier. The learned counsel for the applicants further indicated that the first applicant represented to the respondents (Annexure-B) on 22.9.1988, but there has been no response from the Respondent No.2.

2. ^{requiring expert advice} Fixation of pay scales being a policy matter, the Tribunal would be reluctant to entertain the application at this stage. The application is, therefore, dismissed under Section 19(3) of the Administrative Tribunals Act with the direction to the respondents ^{dated 22.9.1988 (Ann. B)} that the representation filed by the first applicant ^{as} should be disposed of within a period of three months from the date of communication of this order keeping in view the various averments made by the applicants in this Original Application.
