12. Respondents have filed detailed reply statements.

13. After having argued the matter at length by the learned counsel for the applicants, learned counsel appearing for the official respondents drew our attention to the order of the Bangalore Bench of this Tribunal in OA 235/99 (M.G.Balaji Rao & 3 others Vs. Secretary, Department of Telecommunications, New Delhi) and another. The Bangalore Bench of this Tribunal in OA 235/99 has stated thus:

"3. In O.A.15 of 1998 the applicants therein who also belong to Senior TOA Cadre, had sought for a direction that their cadre should also be included in the 35 per cent quota. That application was considered along with another O.A. No.73 of 1997. In O.A.No.73 of 1997 this Bench has discussed various aspects and has held that it is the prerogative of the Government to decide as to which cadres should be made the feeder cadre to a promotional post and as to what eligibility conditions should be imposed in respect of each cadre and that the Tribunal cannot interfere with that policy decision taken by the department nor can any direction of the nature sought for be given by the Tribunal. It was also pointed in the order in O.A.No.15 of 1998 that the recruitment rules for the various categories are different and that all those cadres cannot be treated as equal cadres for the purpose of promotion to the higher post. By the mere fact that prior to the new Rules, TTAs had also been included in the 15 per cent quota along with the cadre of senior TOA, the applicants cannot claim a right to be included in the same quota in which the TTAs have been included in the new Rules. In O.A. No.15 of 1998 we gave opportunity to the applicants therein to approach the department if

they have a claim to be included in 35 per cent promotional quota either under clause (a) or under clause (b) and that it would be for the department to consider their grievance and take such decision as is appropriate. Giving that liberty, the prayer sought for by the applicants in that application was refused. The view we have taken in the earlier case is that the cadre of Senior TOA and the other cadres having separate recruitment Rules, senior TOA cadre cannot claim parity with the other cadres. The fact that the strength of the Senior TOA cadre is more than the strength of the TTA cadre would not be relevant while determining the validity of the Rules."

14. We are in respectful agreement with the order of the Bangalore Bench of the Tribunal.

15. Learned counsel appearing for the applicants submitted that the applicants may be permitted to submit representations to the Secretary, Department of Telecommunication, New Delhi in respect of their grievance.

16. Accordingly, all these Original Applications are disposed granting liberty to the applicants to submit representations to the Secretary to the Government of India, Department of Telecommunications, New Delhi, if they are so advised. We hope that the Secretary, Department of Telecommunications will consider the representations of the applicants if received with all the seriousness those representations deserve. No costs.
