O R D E R

HON'BLE MR. A.V. HARIDASAN, VICE CHAIRMAN

The applicant is the mother of N.M.Babu who while serving as T.H.3 under the first respondent died on 11.12.88. The applicant was on 23.9.99 informed that she would be entitled for family pension by virtue of Govt. of India O.M. 45/86/97-P&P.W(A) Part I dated 27.10.1997. On the basis of the above information, the applicant submitted her claim for family pension. She was informed that the dependency certificate produced by her was not in order. However, the 1st respondent vide

his letter dated 12.4.2001 requested the second respondent to take a favourable decision and for authorisation of pension to the applicant as by the dependency certificate issued by the Tahsildar, Vatakara and Additional District Magistrate, Kozhikode the first ~~was~~ respondent ~~was~~ satisfied that the applicant was wholly dependent on deceased N.M.Babu. The grievance of the applicant is that despite this the family pension due to her has not been made available. Therefore, the applicant has filed this application for a direction to the second respondent to immediately disburse the Family Pension due to the applicant with 18 percent interest declaring that the non-disbursal of the family pension to the applicant by the respondents is violative of Articles 14 and 21 of the Constitution of India.

2. When the application came up for hearing on admission, under instructions from the respondents, learned counsel Shri Jacob Varghese states that it was on account of a deficiency noted in the dependency certificate that the second respondent doubted the eligibility of the applicant for family pension and that in view of Annexure.A6 order issued by the Ist respondent Director the family pension due to the applicant would be ordered and disbursed without any further delay.

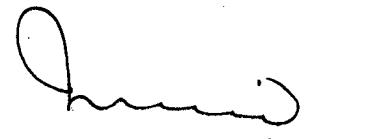

3. In the light of the above submission made by the learned counsel for the respondents, we dispose of this application directing the second respondent to issue necessary orders granting family pension to the
