JUDGEMENT

Mr. N. DHARMADAN, JUDICIAL MEMBER

These three cases are heard together on agreement of parties since common issue arises for consideration.

2. We are only referring to the facts in O.A. 587/90 for convenience. The applicant is working as a Sepoy under the fourth respondent. He was involved in a clandestine currency transaction along with two other employees (applicants in the other two connected cases). The matter has been investigated by the CBI. In the meantime since there is a serious allegation involving huge amounts, the fourth respondent suspended the applicant

as per Annexure-A order dated 13.2.90 in contemplation of taking appropriate disciplinary proceedings against him under the provisions of CCS (CC&A) Rules of 1965. The applicant denied his involvement in the clandestine transaction and filed appeal against Annexure-A order before the Appellate authority which was dismissed confirming the order at Annexure-A as per Annexure-B order dated 7.6.90. The applicant is challenging the said order in this application on the ground that he is innocent and he was not involved in the alleged criminal action warranting any disciplinary proceedings as contemplated in Annexure-A order. The Appellate authority has not examined this aspect and confirmed the order. According to the applicant it is illegal and the order is liable to be set aside.

3. The respondents have filed a counter affidavit in which they have stated that on 6.2.90 the applicant and one V. D. Varghese another sepoy engaged a private jeep and conducted unauthorised road check and intercepted an Autorickshaw carrying four persons who were in possession of Indian currency to the tune of Rs. 10 lakhs. The applicant along with V. D. Varghese took Rs. 3 lakhs from the persons in possession of currency as illegal gratification and it is alleged that they shared the money with Shri K. X. Joseph Charles, another Sepoy. ^{Ackn was taken 2} for not reporting and initiating any legal action against them. The matter is being investigated by CBI and the fourth respondent

simultaneously initiated disciplinary proceedings against the applicant and two others. Hence, the suspension order has been passed validly pending investigation and further enquiry in this matter.

4. When the case was taken up for hearing today the learned counsel for the applicant was not present. But we perused the records and heard the learned counsel for the respondents. Since the matter involved in this case is pending investigation and enquiry before the CBI and disciplinary authority, it may not be proper for us to go into the merits of the case. Accordingly at this stage, we are not going in to the merits of this case; but we are satisfied that there is sufficient justification for passing suspension order. It has been passed on the basis of reports of the Assistant Collector SCP Division, Calicut who has conducted investigation in to the alleged involvement of the applicant and two others in the illegal currency transaction as stated in the counter affidavit. The learned counsel for the respondents submitted that charges have already been finalised and will be served on the applicant within two weeks from today.

5. Taking into consideration the facts and circumstances of the case, we are of the view that there is no merit in this application and it is only to be dismissed. But we ^{are only 1/2} dispose of the application with the direction to the respondents 3 & 4 to finalise the disciplinary proceedings initiated against the applicant within a period of six

months from the date of receipt of copy of this judgment.

We issue the same directions in the two connected cases also. ⁴
in which a copy of this order may be placed.

Accordingly, all the three cases are disposed of as above.

There will be no order as to costs.

Petitioners (applicants) complain disobedience of orders by the respondents. It is stated that the disciplinary enquiry has not been completed within the time limit prescribed. Respondents state that a criminal prosecution is pending and that the Departmental enquiry was put off at the request of the prosecuting agency. They submit further that within four months of the pronouncement of the judgments in the criminal case, departmental enquiry, (if necessary), will be completed.

We record the submission. Since there is no wilful disobedience, we discharge the notice issued to respondents and dismiss the application. No costs.
