ORDER

HON'BLE SHRI N. V. KRISHNAN, ADMINISTRATIVE MEMBER

The applicant while working as Extra Departmental Branch Post Master, Kilur Post Office on a provisional basis has filed this application as she is aggrieved by the action of the respondents in not considering her name for regular selection to that post. When the application was admitted, an interim direction was given to the respondents that they should consider the applicant also as a candidate, whenever the interview for filling

u

..

up the post of EDBPM at Kulur Post Office is held.

2. The respondents had already filed a reply contesting the claim of the applicant. However, subsequently a statement dated 6.3.1990 has been made by the counsel for the respondents which stated as follows:

"None of the candidates sponsored by the Employment Exchange were found suitable for the post of EDBPM, Kilur. The applicant was also interviewed along with other candidates. On the basis of the said interview, the applicant was found suitable for the post of EDBPM."

3. In view of the submissions made above, the only question that remains for our consideration is whether the applicant was entitled to be considered in this manner by the respondents. We have already held in a number of cases that even though a candidate who is working as Extra Departmental Delivery Agent on provisional basis is not considered for selection on the ground that his name is not sponsored by the Employment Exchange, yet in the interest of justice, his name should also be considered for selection. On that basis, the applicant is entitled to be considered by the respondents for the selection of EDBPM, Kilur Post Office and that having found, fit by the respondents, as stated above, the present application has lost relevance.

4. In view of the interim order issued, the respondents have made a statement before us indicating the nature of the result of the interview. We permit

K

the respondents to publish the result and act upon it. ~~As~~ is evident, that ~~the~~ result is in favour of the applicant.

5. In the circumstances, there is nothing else <sup>ing</sup> remain~~ing~~ to be decided in this application. The application is therefore closed as having become infructuous.
