ORDER

Applicants approached this Tribunal to command respondents to post them at places of their choice. Respondents admit that they were entitled to be posted at places of their choice.

2. Such transfers have now been granted, though respondents overlooked the claims of applicants when vacancies arose on 1.4.93.

3. In this view, further orders are unnecessary. Recording the submission that applicants have been posted at places of their choice, this application is disposed of. No costs.
