Applicant who was discharged from the Census
Department and who is 38 years old, seeks a direction
to employ her, relaxing the prescribed age limit. Learned
counsel for applicant relying on Annexure A4 and A5
submits that applicant is liable to be considered, till
she attains the age of 40. Annexure A4 states:-

" Retrenched Census employees who have put
in more than six months' service will be
treated as discharged government employees
(Central), and will be entitled to priority III
for submission against Central Government
vacancies"

2 Counsel could not tell us what priority-III is.

However, she relied on Annexure A5 which grants relaxation
of age limit by three years. Persons like applicant are

eligible for age relaxation to the extent of the period of their service plus three years. Applicant has eighteen months of service. Even if three years is added for relaxation, still she will be outdistanced.

3 We see no justification in granting the prayer. Application is dismissed. No costs.

Dated the 20 th January, 1994.
