Applicants in these two applications are Senior Technical Supervisors/Technical Supervisors/Technicians. They state that they have undergone the training for Telecom Technical Assistants(TTA for short) on various dates and are awaiting appointment to that category. They pray that they may be appointed as TTAs and that they be declared to be entitled for appearing for the qualifying screening test of Junior Telecom Officers(JTOs for short). Respondents state that though applicants have been trained for the TTA's post, their appointment would have to wait for the availability of vacancies and after they are so appointed they would become automatically eligible for the qualifying screening test.

2. Learned counsel for applicants submits that they may be permitted to bring their grievances to the notice of the third respondent. They may do so by means of a representation within one month. If such a representation is made, third respondent shall consider it and pass appropriate orders within three months of the receipt of the representation.

3. The applications are disposed of by this common order with the aforesaid direction. No costs.

Dated, the 5th July, 1995.
