Applicant seeks appropriate directions to respondents 1 to 3, to appoint him as Watchman in the Engineering Department. He attained temporary status on 21.9.1990, but did not go beyond. Due to medical reasons, he is fit only for B2 category. He challenges a B2 category appointment granted to Respondent-4. After the matter was argued at length, learned counsel for applicant sought leave to withdraw the application with freedom to make a representation before the competent authority setting out the full facts. We grant leave and

permit him to do so. If he makes a representation within four weeks from today before Respondent-2 (who is said to be the competent authority by both sides), second respondent will take a decision on the representation, passing a reasoned order, within two months of the date of receipt of the representation.

2. Leave is granted and application is disposed of. No costs.
