(Order pronounced by Hon'ble Smt J Anjani Dayanand,  
Administrative Member)

ORDER

The applicant, Shri V Vijayaraghavan is an ad-hoc  
Khalasi, on part time basis in the Mangalore Gauging

Sub Division, Central Water Commission, Mangalore.

He seeks relief by way of a direction to the respondents to regularise the service of the applicant as Khalasi and appoint him on a permanent basis before his temporary appointment gets terminated.

2 The facts of the case as per the written application are, that from 13.7.81, the applicant was appointed as Work charge Khalasi on part time basis up 30.11.81. Subsequently, the applicant was continuously appointed as Ad-hoc Khalasi periodically and continued to discharge his duties in various divisions of the Central Water Commission for the last five years. ~~The cause of~~ His grievance is that one Shri K Bhaskaran who was appointed with effect from 11.7.81 was regularised from 1983 and one Shri V Viswanathan and Ganesan who joined service after the applicant have also been regularised.

3 The counsel for the applicant stated that the applicant is now 35 years old and if his services are not regularised immediately, he will become over aged and ceased to be eligible for appointment.

4 In the counter filed by the respondents it has been stated that the Field Divisions of the Central Water Commission engaged in Hydrological Observations engage regular khalasis on work charged establishment for carrying out the day to day work against sanctioned posts

under each work-head. Sometime, the field divisions have to appoint additional hands during the monsoon season. The applicant was one such, who had been appointed as a seasonal Khalasi, only during the monsoon season as given below:

15.7.81 to 30.11.81  
20.6.82 to 30.11.82  
22.6.83 to 30.11.83  
5.6.84 to 30.11.84  
3.6.85 to 30.11.85

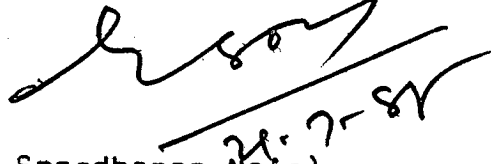

In all such cases the appointment is automatically terminated on the expiry of the period. The question of appointing the applicant, therefore, to the post of regular Khalasi cannot be entertained. However, when vacancies arise, in view of the experience acquired by persons like the applicant, they are given preference provided the names are sponsored by the Employment Exchange. In this context, the counsel for the respondents stated that the imputation of discrimination, malafides etc. are all irrelevant. The counsel for the respondents ~~have~~ also stated that as ~~and~~ when vacancy occurs in the future and if the applicant's name is sponsored by the employment exchange he will also be considered for appointment against a regular Khalasi's post.

<sup>record</sup>  
5 We ~~accept~~ the statement made by the counsel for the respondent, and direct that the applicant

may also be considered against future permanent vacancy provided he is found suitable and sponsored through the Employment Exchange.

6 The application is disposed of as above.
