O R D E R

HON'BLE MR AV HARIDASAN, VICE CHAIRMAN

The applicants two in number have filed this application  
praying for a declaration that they are entitled to be placed in  
the eligibility list of departmental officials for absorption as  
Phone Mechanics reckoning their date of initial appointment as

the criteria and for a direction to the respondents to give the applicants proper placement in the eligibility list of departmental officials for absorption as Phone Mechanics reckoning their dates of initial appointment and to send them for training on the basis of the revised placement in the eligibility list.

2. Respondents have filed a detailed reply statement, but when the application came up for hearing today, learned counsel of the respondents stated that the applicants also have been included in the list of those who are eligible for training and absorption as Telephone Mechanics and that they would be sent for the training which would commence on 8.6.98. He also stated that the claim of the applicants for seniority may be left open to be considered separately.

Learned counsel of the applicants stated that since the respondents have decided to send the applicants for training and for absorption as Telephone Mechanics, on that basis the application may now be closed leaving the question of seniority of the applicants reckoning from the date of their initial appointment to be agitated separately.

4. In view of what is stated by the learned counsel on either side, we close this application leaving the question of seniority of the applicants reckoning from the date of their initial appointment to be agitated separately. No costs.
