The application having been heard on 19.2.99, the  
Tribunal on the same day delivered the following:

O R D E R

Applicant who commenced service as Commission Vender  
in the Trivandrum Division of the Southern Railway was later  
treated as Salaried Commission Bearer from 1983 onwards. His  
name has been included at Sl.No. 142 in the list of volunteers  
who applied for filling up of Group 'D' posts in scale of  
Rs.750-940 in Train Lighting/Power and A.C.Wing of Electrical  
Department. His grievance is that while persons who were lower  
down in the list have already been absorbed as Group-D staff,  
the respondents have not considered his case for such absorption  
despite representation made by him on 21.9.98 (Annexure A-2).  
Therefore, the applicant has filed this application for a  
direction to the respondents to consider and pass orders on  
his representation A-2, taking into account the fact that  
juniors at Sl.Nos. 284,285,344,346,350 and 352 have already  
been regularised on Group-D posts.

2. When the application came up for hearing today, counsel on either side agreed that the application may be disposed of with a direction to the first respondent to consider the representation submitted by the applicant (A-2) taking into account the fact that persons who are lower down in the list A-1 have already been absorbed on Group-D posts and to give the applicant an appropriate order within two months.

3. In the light of what is stated and as agreed to by the learned counsel on either side, the application is disposed of directing the first respondent to consider the representation A-2 submitted by the applicant taking into account the fact that persons whose names figure lower down than the applicant in the list of volunteers who applied for filling up the posts of Group-D have already been absorbed on Group-D, and to give the applicant a reasoned order within a period of two months from the date of receipt of a copy of this order. There is no order as to costs.

Dated 19th February 1999.
