Applicant seeks a declaration that he is entitled to be appointed as Homeopathic Physician at Amini. Earlier, applicant approached this Tribunal for the same relief. We directed him to make a representation, and first respondent to take a decision thereon. A-6 is the representation and no decision has been taken thereon. This application will not lie, in view of the earlier direction. At the same time, applicant cannot be left at lurch because of the inertia on

the part of respondents. We direct respondent Union of India to take a final decision on A-6 (which has been pending for eighteen months) within fortyfive days from today. First respondent will do well to adhere to the time limit and standing counsel will bring this direction to the notice of first respondent forthwith.

2. We dispose of the application as aforesaid. No costs.
