CHETTUR SANKARAN NAIR(J), VICE CHAIRMAN

Applicants seek a declaration that they are entitled to get the benefits of AI order of this Tribunal. They are not parties to AI, and therefore by right they cannot get the benefit. But whether they are similarly situated as applicants in that case and whether the circumstances justify grant of such reliefs at the present juncture, and so on are different matters. We find that the 7th applicant has made a representation before 4th respondent. Counsel for applicants submits that other applicants also desire to make representations.

2. We dispose of the application in limine directing 4th respondent to consider A2 and other representations that may be made by other applicants, on merits, and pass appropriate orders. But, we make it clear that we have not expressed any opinion on the merits of the matter or on the question of delay and that this direction will not give a cause of action to applicants, if otherwise they have none. No costs.

Dated the 13th day of February, 1995.
