Applicant approached this Tribunal with the grievance that his retiral dues were not paid in time. He claims interest at the rate of 22% from the due date, till the date of payment. It is submitted by learned counsel for respondents that the delay was due to late receipt of information relating to pension from the former employer of applicant, namely the Ministry of Defence. In the light of the statement, we do not see any justification to mulct respondent Railways with penal

interest. However, applicant had to approach this Tribunal to get the pension and he must be compensated for the costs incurred by him. While recording the submission that payments have been made, we direct respondents to pay Rs. 1,500/- (Rupees One thousand five hundred only) as costs to applicant. Costs will be paid within two months from today.
