In this application, the applicants who are working as Casual Mazdoors in the Telecommunication Department have prayed that the proposed termination of their services should be nullified and the respondents directed to give them work and wages and other consequential reliefs.

2. We have heard the arguments of the learned counsel for both the parties and have gone through the documents carefully. In the counter affidavit, the respondents have specifically stated that there is no proposal at present to terminate the services of

the applicants and that as Casual Mazdoors, they will get work on casual basis depending on the availability of work. In the circumstances, we close this application with the direction ^{to the respondents} that the applicants should be ^{A 6} retained in service, if there is work for them, and retrenched if at all, in accordance with law. They should also be given such benefits of regularisation as would be available to them in accordance with the scheme, instructions or orders issued by the respondents.
