ORDER

Shri SP Mukerji, Vice Chairman

In this application the applicant has
challenged the order dated 2.5.89 in so far as he has
been transferred from Cannanore to Kasargode. His
original request was to be transferred to Perumbavur
which is nearer ~~to~~ ^{to} his home town but this request ~~has~~
not ~~been~~ ^{been} granted and his second choice for transfer to
Trichur was ~~said~~ ^{and} to be duly considered in due course.

The applicant's contention is that by the impugned order while he has been transferred to a farther place at Kasargode, by the same order two UDCs have been transferred to Trichur which he wanted.

2. The learned counsel for the respondents has filed the Counter Affidavit with a copy to the learned counsel for the applicant who does not wish to file the rejoinder.

3. I have heard the arguments of the learned counsel for both the parties and have gone through the documents carefully. The learned counsel for the respondents has stated that the two officials who have been transferred to Trichur had made a request of such transfer earlier than the request made by the applicant. The learned counsel is fair enough to state at the bar that the request of the applicant for transfer to Trichur will be considered when a vacancy arises. It also transpired that the applicant has been transferred to Kasargode to hold a newly created post of Cashier which carries an additional allowance. In the facts and circumstances I do not find any justification to intervene in the matter and dismiss the application with the direction to the respondents that the applicant's request for transfer to Trichur should be considered sympathetically as soon as any vacancy in the appropriate grade arises. There will be no order as to costs.
