Applicant who was a woman Casual Labourer under the Railways, seeks absorption with effect from 31-12-1982. Consequential benefits are also claimed. Applicant submits that by reason of her length of service and her community status she is entitled to the reliefs prayed for. She would also submit that persons with lesser length of service have been absorbed. Though applicant had been making representations, there is no indication that they were being considered. We permit applicant to make a comprehensive representation before respondent Divisional Personnel Officer, setting out her grievances. If a representation is so made, respondent Divisional Personnel Officer shall examine the facts of the case, and pass a reasoned order thereon within three months from the date of receipt of the representation. The absence of a counter affidavit delays a final decision in the matter, to

the detriment of applicant. While allowing the application, we direct respondent to pay Rs. 200/- (Rupees Two hundred only) as costs to applicant.

2. With these directions we dispose of the application.

CHETTUR SANKARAN NAIR (J), VICE CHAIRMAN

We find that applicants have been continuing in service by reason of an interim order made by a Bench of this Tribunal on 9.3.93. The only direction that need be issued now, is one to consider A-4 representation on merits and pass orders thereon. We direct second respondent to consider A-4 representation, examine the facts in detail and pass appropriate orders within four months from today. Till such orders are passed, the interim order will remain in force. With this direction, we dispose of the application.

2. Applicants if so advised, may supplement their representations within ten days from today. In case the decision is likely to affect other employees, they will also be heard before final orders are made. No costs.
