These applications having been heard on 18.11.2013, the Tribunal on the same day delivered the following:

### ORDER

By Hon'ble Mr. Justice A.K. Basheer, Judicial Member-

Applicants are stated to be working as Telecom Mechanics in Pathanamthitta Telecom Division of Bharat Sanchar Nigam Limited. They have filed these Original Applications with the following prayer:-

“(i) Declare that the applicants are entitled to the benefit of stepping up of pay at par with their juniors as held in Annexures A2 and A3, with all consequential benefits arising there from, and direct the respondents to grant the consequential benefits accordingly.”

2. The case of the applicants in brief is that all of them were initially appointed as Casual Labourers in the Department of Telecommunication prior to October 1, 1989 and that they were granted temporary status with effect from the above date. Still later they were regularized as Regular Mazdoor with effect from April 1, 1990. Later all the applicants were promoted as Telecom Mechanic on officiating basis from July 1999 and on regular basis with effect from August 16, 2000 as could be seen from Annexure A1 order issued by respondent No. 2.

The primary grievance of the applicants is that their juniors are drawing more pay. In this context applicants have pointed out that an

identical issue was considered by this Tribunal in OA No. 623 of 2009 and connected cases and a direction was issued to the respondents to step up the pay of the applicants in those cases on par with their juniors who were promoted as Telecom Mechanics later than the applicants and to grant them all consequential benefits. There was a further direction to reimburse the amounts if any recovered from those applicants. It is further pointed out by the learned counsel that the above order was confirmed by the High Court of Kerala in Annexure A3 judgment dated August 8, 2011. But still, the respondents are refusing to extend similar benefits to the applicants. It is in the above circumstances that the applicants have filed this Original Application with the prayers mentioned supra.

4. If the applicants are identically situated as the applicants in Annexure A2, we do not find any reason why they shall be treated differently.

5. Having regard to the entire facts and circumstances of the case, this Original Application is disposed of with a direction to the respondents to consider the claim made by the applicants on its merit and in accordance with law keeping in view Annexures A2 and A3 orders passed by this Tribunal and the High Court respectively. It will be open to the applicants to submit individual representations highlighting their grievances within three weeks from today. Respondents shall take an appropriate decision on these representation as expeditiously as possible at any rate within three months from the date of receipt of a copy of this order. Needless to mention that an authorized representative of the applicants shall be afforded sufficient

opportunity of hearing before the final decision is taken in the matter. However, we make it clear that we have not considered the merit or de-merit of any of the contentions raised by the applicants.

6. Original Applications are disposed of in the above terms. No costs.
