JUDGMENT

C Sankaran Nair (J), Vice Chairman.

Applicants were selected for appointment as "Postman" in the Alwaye Division. The vacancies were filled up, by appointing those who ranked above the applicants. They seek appropriate directions to command respondents to appoint them in vacancies available in the Ernakulam Division. They must bring their grievances to the notice of first respondent by appropriate representations. We have no doubt that the first respondent will consider the representations,

as sympathetically as possible, at once consistent with rules governing the matter. Applicants may make representations, within three weeks from to-day. A decision thereon will be taken within two months of the date of receiving the representations. We consider it unnecessary to issue any further directions in this application.

2 Disposed of. No costs.
