O R D E R

HON'BLE MR. A.M. SIVADAS, JUDICIAL MEMBER

The applicants are Cable Splicers in the scale of
pay of Rs.975-1520/- According to the Recruitment Rules
of the year 1991 for recruitment to the post of Telecommuni-
cation Phone Mechanic, the feeder category for filling up
of the vacancy by transfer/promotion, did not include the
Cable Splicers for the scale of pay of Phone Mechanic
and Cable Splicers are identical. Their grievance

presently is that by the amended Recruitment Rules notified with effect from 11.4.96, the category of Cable Splicers also have been brought under the feeder category along with Group 'D' employees/Casual Mazdoors/ Casual Labourers, etc. who have attained temporary status. This, according to applicants, has lowered their position and they are being deprived of opportunity for their promotions. They have therefore, filed this application for quashing the Recruitment Rules at A-4 and also for a declaration that they are eligible to be granted higher post of Telecom Technical Assistants etc.

2. Learned counsel for applicants submitted that it is suffice that a direction is given to the second respondent to dispose of the representations made by the applicants within a reasonable period. Learned counsel for respondents has no objection for the same.

3. Accordingly, the second respondent is directed to dispose of A-5 representation made by the first applicant and the other representations submitted by the remaining applicants within a period of two months from today. The applicants may seek permission of second respondent for personal hearing which the second respondent will consider.

4. Standing counsel submits that he will forward a copy of the application and a copy of this order to the 2nd respondent for compliance.

5. Original Application is disposed of as above.
