2. Applicants in this case were originally appointed as Compilers on contrat basis. When their services were terminated, they filed representations for regularisation. They also submitted that Annexure-A5 notification and Annexure-A6 were not circulated in the Regional offices where the applicants were working.

3. When the application came up for admission on 5.3.93, we directed the respondents to allow the applicants to participate in the examination provisionally subject to the outcome of the original application.

4. The learned counsel for respondents submitted that the result of the examination has already been declared pursuant to the direction of this Tribunal in OA 117/93 and the case of the applicants would be considered if they have passed in the examination and they satisfy other requirements for appointment. In the light of the above submission, we close the application making it clear that if the applicants are successful in the examination, their claim for appointment as Data Entry Operator Grade-B should be considered in accordance with law.
